

TANTALUM & TANTALUM ALLOY NIOBIUM & NIOBIUM ALLOY

A.T. WALL COMPANY

*Where imagination and
design take shape.*

TANTALUM & TANTALUM ALLOY/ NIOBIUM & NIOBIUM ALLOY

Look to A.T. Wall for rapid delivery of tantalum, tantalum alloy, niobium or niobium alloy to your specifications.

At A.T. Wall, we can do more than just quickly supply you with tantalum, niobium and their corresponding alloys. Our redraw capabilities enable us to provide you with custom tube dimensions, including ODs from .040" - 4" and walls from .003" - .375". We also offer annealing and cutting.

With in-house engineering, we can stamp and coin tantalum strip to meet your specific design. Rod and sheet is also available.

Since 1886 the defense, telecommunications, automotive, aerospace and countless other industries have depended upon A.T. Wall for its skills in waveguide, precision metal stamping, precious metals and glass to metal seal products.

Whether you're working on a new application or seeking to improve an existing product, put the imagination and design know-how of A.T. Wall to work for you. Contact us today.

QUALITY ISO 9001: 2000 Registered

PROCESS Tube Drawing
Cutting
Stamping
Coining
Machining
Complete Testing to ASTM B521 upon request

ENGINEERING Quick tube re-draw to size from stock
In-house engineering

MATERIALS **Tantalum & Tantalum Alloy:**
Tubes to ASTM B521
Plate, Sheet and Strip to ASTM B708
Rod and Wire to ASTM B365
Niobium & Niobium Alloy:
Tubes to ASTM B394
Plate, Sheet and Strip to ASTM B393
Bar, Billet, Rod and Wire to ASTM B392

SIZE RANGES Overall ODs: .040" to 4"
Thin Wall IDs: .003" to .375"
Annealing: Up to 18'
